THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.3795 of 1999

ORAL ORDER:

This writ petition is filed seeking a Mandamus directing the respondents to appoint the petitioner as Helper in pursuance of the recommendations of the selection committee dated 26.8.1992 as communicated by the sixth respondent to third respondent vide proceedings dated 28.8.1992.

It appears, in pursuance of the notification issued by the sixth respondent inviting applications for the post of Helper, petitioner applied for the same along with others and in fact, she was subjected to selection process. According to the petitioner, selection committee has recommended her case for appointment as Helper, but in spite of the same, she was not appointed. Hence this writ petition.

A detailed counter affidavit has been filed on behalf of respondents denying the allegations made by the petitioner. *Inter alia* it is asserted that the Khadi Gramodyog Bhavan was opened on 7.12.1989 and the same was being managed with the assistance of deputationists drawn from various private institutions engaged in the implementation of KVIC (Khadi and Village Industries Commission) activities. Accordingly, 24 persons were taken on deputation. Since the said persons were working in the Bhavan, they also applied for the post of Helper pursuant to the notification issued in the year 1992 and some of them were selected and kept in the panel. Thereafter, deputationists working in the Bhavan filed W.P.No.4991 of 1991 for regularization of their services. During the pendency of said writ petition, this Court directed the respondents to maintain status quo with regard to continuation of said deputationists, until further orders. Further, respondent-Commission gave administrative sanction to fill up 17 posts in the category of Helpers. In view of the said sanction of 17 posts and the continuation of deputationists in the existing vacancies, the panel was not operated. Subsequently, the commission appointed 13 deputationists in the category of Helper in view of the orders in the above writ petition. Therefore, the panel was not at all operated. Thus, the selections made

in pursuance of the notification were not given effect to.

In view of the above averments, nothing survives in this writ petition for further adjudication and the same has become infructuous. Accordingly, the writ petition is dismissed as having become infructuous. No order as to costs.
